Baxley v. Western Regional Jail

I John Baxley jr, am writing to you concerning the lawsuit

I've been in Western since August 15, 2018, since then I've been in about 5 different (pools dorms) each one has been very nasty, and disgusting.

I was here for a month and a half before I got a change of clothes, or a sheet for my mat, and the showers have been very filthy. They have got mold in them and some kind of slime on the walls.

I've seen alot of people with staph, and other types of infected sores on them.

I've also have to wash my clothes by hand because (we) don't have a laundry bag.

I've had to do this since I've been here.

Thank you for your time

Sincerely
John Baxley
